### **Stone Look Tile**

These ceramic and porcelain-body tiles are created to mimic almost any natural stone selection.

### **Glazed Tile**

The most common swimming pool tile, these tiles are hard-fired with a shiny glaze finish available in an array of colors and designs. They provide a more contemporary look for your pool or spa.

### **Step Trim**

These tiles are used to mark the steps and benches in the pool. They are available in both glazed mosaic and stone look and are offered in 1x1 and 2x2 sizes.

### **Decorative Mosaics**

Create an underwater adventure scene with one or more of the mosaics we offer. We have an assortment of these mosaic designs ranging from alligators and crabs to geckos and turtles or mermaids and dolphins.

### **Accessories**

We have a complete line of Depth Marker tiles available in both glazed finishes (for the water line) and non skid finishes (for decks).

### **Brick Coping and Pavers**

Fired clay brick coping is available in an assortment of colors to coordinate with the tile and surroundings of your pool.

### **Natural Stone Coping and Decking**

Natural stone coping is factory-bullnosed and designed to upgrade the look of your pool.

### **Glass Block**

The Decora series of glass blocks from Pittsburgh Corning are available in various sizes (4. in thickness). Use them to form walls in and around your pool and spa or in your bathroom or shower.

### **Plaster Finishes and Concrete Deck Surfaces**

The perfect alternative to typical white plaster. We offer a full line of SGM plaster finishes which include Diamond Brite, Pearl Brite, River Rok and Durazzo. Add the beauty of color and durability to your pool for years to come!

Variation in Shade, Size, Shape, and Color are an inherent characteristic of all kiln-fired products and natural stone. This variation enhances the product's natural beauty. Please inspect actual product before installation. Use constitutes acceptance.
